Dr. Vasilios Ismyrlis is an Assistant Professor specializing in "Total Quality Management in Tourism" at the Department of Tourism Economics and Management of the University of the Aegean (Appointment Gazette 2378/09.08.2024, vol. C). He holds a PhD from the Department of Business Administration of the University of Macedonia, with a dissertation titled: "Multivariate Statistical Analysis and Quality Management".

He has worked as a bank employee at ATE Bank and also for eleven years as an administrative executive at the social security institution IKA-ETAM. From 2014 and for ten years, he served as a statistician at the Hellenic Statistical Authority. Parallel to the above professional career, he has taught at several educational institutions, including Universities, Vocational Training Institutes (IEK), Vocational Training Centers (KEK), the School of Pedagogical and Technological Education (ASPATE), and Centers for Lifelong Learning (KDBM). He is a certified "Adult Educator of Non-Formal Education" by EOPPEP.

He has published numerous papers in international scientific journals in the fields of quality management and applied statistical analysis.

He has authored two books which are also available as university textbooks through the "Eudoxus" platform.

His research interests include Quality Management, Applied Statistical Analysis, Tourism Economics, Data Analysis, and Research Methodology.
